Additional Storytime Reads

These stories are read to the children again and again, throughout the year. Through listening to repeated readings, and talking about what they have heard, the children have multiple exposures to vocabulary and the language of stories. Continued talk about words, as well as opportunities to use them, helps our children to become increasingly familiar with the language found within its pages. Through stories, our children encounter vocabulary that they may not hear in everyday conversation but will come across in writing, once they can read for themselves.

Daily Song, Rhyme and Poetry Time

Daily songs and nursery rhyme times are another important part of the day for our youngest children in school. Through enjoying rhymes, poems and songs, and reciting poems or parts of longer poems together as a class, we build our children's strong emotional connection to language. By learning poetry and songs using 'call and response', we enable our children to join in gradually. Each repetition strengthens their vocabulary, embedding new words.

Hickory Dickory Dock	Twinkle Twinkle Little Star
Row Row Row your boat.	I'm a little tea pot
Sleeping Bunnies	Pat a cake pat a cake
Wheels on the bus	Ring around the rosie
Humpty Dumpty	Old McDonald had a farm
Incy Wincy Spider	If you're happy and you know it.
