

CAPTAIN'S CATCH-UP

Captain Webb Primary School Newsletter

January 27th 2023

Dear Parents/carers,

Year 3 Parent Workshop

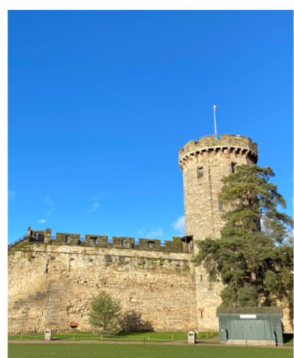

As part of their Science topic Year 3 invited parents into school to help them investigate what body parts affect the distance a child can jump. They helped with measuring accurately and making sure they were testing fairly. They found out that body parts, such as leg bone length, leg muscle size, foot size and even rib cage can have an effect on how far we can jump!

Year 2 Visit to Warwick Castle

Year 2 went on an exciting visit to Warwick Castle as part of their topic on 'Towers, Tunnels & Turrets'. They had fun exploring the castle and climbing to the top of the towers. They also had a castle life tour, teaching them basic information regarding life in Medieval times, finding out about peoples jobs, wages and lifestyles. Year 2 Parents/carers are

invited into school on Friday 3rd February to a Castle Workshop. We look forward to seeing you there.

Dates for your Diary

Wednesday 25th January
