Captain Webb Primary School Newsletter

September 22nd 2023

Dear Parents/carers,

## Year 4 Visit ThinkTank

As part of their topic 'Burps, Bottoms & Bile' Year 4 went to ThinkTank to learn all about the digestive system. They found out what happens to food as it goes through the body. They learnt what each of the five food groups does and the importance of your 5 a day and why our bodies need energy. Learning all about healthy eating and how we fuel our bodies to make sure we are as healthy and happy as can be!

## Year 3 Stone Age Day

For their visit this half term, Year 3 went to Shropshire Hills Discovery Centre to learn all about the Stone Age. During the day the children participated in lots of different activities to mimic how living in the Stone Age would have been. They created their own Stone Age paintings using natural materials such as charcoal and they went on a hunt, just as the hunt gatherers would have done! The children were also able to see a replica of the last remaining woolly mammoth, they couldn't believe how tall it was!

### Afternoon Tea Party

Every Friday a group of children are nominated by their teacher for excellent behaviour for the week and are invited to an afternoon tea party with Mrs Passey.

They celebrate with cakes & biscuits and a bit of fizz!

Apply for a Blue Peter Reading Badge for your child. You will have previously received an application form (available from the school office) Please return completed forms to school, we are more than happy to send them off. Let's see how many badges we can collect as a school!
