September 2023

Dear Parents/carers,

**Year 6 'The Polar Regions' Workshop**

As part of our topic on 'The Frozen Kingdom', we have arranged for an Antarctic Scientist to come into school to deliver a Polar Regions Workshop.

The workshop will involve learning about living and working as an Antarctic Scientist and learning about how animals and wildlife live at the extremes. Donald the Scientist has spent time working on some very exciting and wild projects around the world, including in the Polar regions.

The workshop will be on **Wednesday 11th October**, during the school day.

The cost of 'The Polar Regions' Workshop will be £6.00, payable using your child's online account.

As the school no longer takes cash payments, your child now has an online account where you give consent and make a payment. You will have previously received login details for your child's account. Please contact the office on 01952 386770 if you haven't yet received this.

Yours sincerely,

Miss Read, Miss Saville & Miss Wootton
