Daily Song, Rhyme and Poetry Time

Daily songs and nursery rhyme times are another important part of the day for our youngest children in school. Through enjoying rhymes, poems and songs, and reciting poems or parts of longer poems together as a class, we build our children's strong emotional connection to language.

By learning poetry and songs using 'call and response', we enable our children to join in gradually. Each repetition strengthens their vocabulary, embedding new words.

The Alphabet Song

This old man

Little Bo Peep

Mary had a little lamb

There was an old lady who swallowed a fly

Sing and song of sixpence.

There's a hole in the bottom of the sea.

Twelve days of Christmas

When Goldilocks went to the house of the bears.

There was a crooked man

Old Mother Hubbard

Now we are six by AA Milne
